

Dear Members & Friends,

The **IBCC team** together with the support of the **British Chamber of Commerce Organization** are fully committed to support your business during these times.

The IBCC is focusing now, for the benefit of members, on three main avenues:

1

Advocacy - Question, issues, concerns, regarding aspects of your Israel - UK business, influenced directly by the Covid-19 situation, will be shared for you with relevant authorities and organizations. Contact us.

2

Important Information - We shall communicate to you relevant information. **Please note** - if you are an Established Business in the UK or a registered company you might be entitled to benefits granted to UK companies and businesses. We can direct you to trusted professionals entities where needed.

3

Continuity - We shall continue working together going forward towards the day after!

With the very best wishes for health and safety,
